## WORLD TEAS

Drawing on the global fascination with tea, KIFKAF presents an exciting cross-cultural range of black, green and white flavours.

**Australian Breakfast** Pure home-grown pleasure. This blend of Australian teas is hearty and full-bodied, and handles the addition of milk and sugar with grace.

**Green Jasmine** Needing something to wake you up - without the jitters? This gently refreshing green tea with jasmine helps you remember that you can concentrate after all.

**Arabian Mint** Want to fly far away? This traditional rolled green tea mixed with refreshing mint will take you there. Drink it hot or cold and dream about the desert.

**Celebration Chai** Say 'cheers' with this ancient rich and exotic blend. Laced with vanilla, cardamon, citrus peel and cloves, drink it and forget about champagne.

**Mountain White** Refined and delicate, this is tea to linger over. It is the least processed of teas, with five times more antioxidants than black tea. In China it's the 'fountain of youth'.

## ORGANIC HERBALS

Using the highest quality certified organic produce, KIFKAF celebrates the crossing of categories to reunite these herbs with tea in creating five health-filled blends.

**Tonic** Great as an after meal pick-me-up. This sweet and refreshing tea contains licorice, raspberry and peppermint to aid digestion and help prevent bloating.

**Love** Sip on this spicy love potion with someone special. Containing recognised aphrodesiacs such as ginkgo and Siberian ginseng, let the sensual flavours of passion flower and hibiscus take over.

**Smile** Uplifting tea to cheer you up on 'blue days'. This citrus flavour tea contains St Johns Wort to help have a happy day and Valerian to help get a good night's sleep.

**Energy** Invigorating tea to help you feel alert and alive. This refreshing mint and lemongrass flavour tea is the perfect breakfast 'wake-up' or whenever you need a quick energy fix.

**Zen** Relaxing tea to curl-up and contemplate with. Help unwind from the day's stresses and drift into dreaming as you sip on this delicious floral and mint flavour infusion.

## ORGANIC AYURVEDA

Inspired by the wisdom of this traditional Indian knowledge, KIFKAF uses premium quality certified organic produce to create a wholistic range of teas.

**Vata** Calming tea to balance and settle a wired mind. Designed for the Vata personality – creative, active, alert as well as restless, worrisome and somewhat absent minded.

**Pitta** Soothing tea to help melt frustrations away. Designed for the Pitta personality – intense, passionate, natural leaders as well as angry, jealous and sometimes bitter

**Kapha** Tonifying tea to help you get going on slow days. Designed for the Kapha personality – stoic, with high endurance as well as lazy and lethargic at times.
